## Ebook Details:

*Review: I am almost half way through this book. I speak as a former therapist, a spiritual person, and someone with a diagnosis of complex PTSD who is in therapy and on medication. I am finding this book invaluable in that it validates the integration of a medical and a spiritual approach to mental/emotional health problems, which I have long believed in. I...*

*Description: This book contains Pamelas personal story of the deepest crisis she ever experienced in her life. Successful as a writer and spiritual therapist, she was confronted first with illness, then with insomnia and fear, and ultimately with depression and psychosis. She had to be hospitalized and undergo psychiatric treatment. Pamela openly describes what...*
